

## International Project Meeting in London 23-24/10/17

On 23-24 October, the final international project meeting of the EFFECT group took place in London. It was organized by British partner Feedback, with the support of the Federation of Polish Food Banks. During the meeting, the group evaluated the website ([www.foodwasteeffect.eu](http://www.foodwasteeffect.eu)) and the materials created for the project. We discussed recent successes with Disco Soup events having taken place in Poland and the UK, and shared tips on how to devise a successful and far-reaching food waste feast. We also had the opportunity to eat at the Brick Kitchen, the socially minded kitchen using local, sustainable produce. The chef was also leading on catering at Feedback's Disco Soup event in September 2017.
